Great, thanks Rafik. Just one correction, as I mentioned, you forgot to reduce the budget category subtotal under Beautification from \$45,560.00 to \$45,360.00. Send me the corrected budget page at your earliest opportunity.

About the 2016 invoice payment, it looks like it will be two separate payments, one for 2016 and the other for the combined prior year balances. The payment of total assessment collected for 2016 is a little over \$62,000 and was sent to the Controller yesterday. You should receive it in the mail sometime next week.

The funds for prior years have to be disencumbered from the prior contracts, then re-encumbered under the 2016 contract so that we can pay the remaining amount. I'll let you know when to expect that as soon as I do.

Let me know if you have any questions.

Rita

P.S. Don't forget to complete and submit the form requesting direct deposit for the BID.
